Dessert Menu

Dessert truly is the happy ending to a sumptuous meal or the centre piece to a delectable buffet. We offer an array of decadent desserts which we can present in a number of ways. For a buffet we go for the ultimate visual appeal and display your chosen desserts on a bespoke mirror chandelier at the centre of your table.

For the end of a dinner party we offer plated desserts or a trio of small desserts – ideal for those that find it hard to choose one dessert. We can advise on good flavour combinations.
